Five Hundred Innkeepers and
Their Women Folk Meet
in Reunion.

C. C. BOLDT THE HOST.

Waldorf-Astoria the Scene of
the Thirty-fifth Asso-
ciation Banquet.

Having decided that nation-wide
prohibition—as proposed in the Con-
gressional bills of Messrs. Works and
Hobson—is a horrible thing and that
tipping, though despicable, is a neces-
sary evil, the members of the Hotel
Men's Mutual Benefit Association,

O Corn-less Joy! "GETS-IT" for Corns

Nothing in the World Can Beat It
for Corns and Calluses.

Now try the different way, the new way,
the absolutely sure way, the painless way
of getting rid of those corns that have
poisoned the life and soul out of you for

"I Feel Like Hugging Some-
body. My Corns Are Gone
At Last. 'GETS-IT' Did It."

much a long time. Drop everything else
and use "GETS-IT". A few drops applied
in a few seconds does the work. Unless
junk, like flesh-eating salves that make
corns swell, cotton rings that make corns
stand up like popovers, razors, corn dig-
gers, scissors and files that make corns
grow faster, are all done for. "GETS-IT"
is on a new principle, makes corns shrivel,
vanish! It can't stick to the stocking, or
hurt the flesh.
"GETS-IT" is sold by all druggists, 25c
a bottle, or sent direct by E. Lawrence &
Co., Chicago.
"GETS-IT" is sold in New York by
Ritter-Hegeman's.

which is holding its thirty-fifth re-
union in this city, turned last evening to
patriotic pursuits.
The turn in this direction came
when Robert E. Lee, Secretary to
Mayor James H. Preston, Presiding
Executive of the city of Baltimore,
arose at the banquet of the associa-
tion at the Waldorf-Astoria last eve-
ning and, after singing the "Star
Spangled Banner" in a melodious
tenor, invited the members of the or-
ganization to come to the Monu-
ment City next September when the
birth of the national anthem is to be
celebrated by an imposing exposition.
Mr. Lee—"Bob" Lee, he is called in
the Waldorf manager, George C. Boldt,
and after he had extended his invita-
tion, the newly elected President of
the association, E. M. Tierney, of
Hinghamton, proposed that it be ac-
cepted. His motion was unanimously
adopted.

**UNITED STATES AND CANADA
REPRESENTED.**
Five hundred hotel men, their
wives and sweethearts, from all parts
of the United States and Canada, sat
down at the banquet, and the fact
that each of them voted the affair
most successful in the organization's
thirty-five years of history is consid-
ered a compliment indeed for the
Waldorf manager, George C. Boldt,
who took personal charge. For al-
most three hundred and sixty-five
days in each year these bonifaces are
wont to lend ears to kicks, gentle and
otherwise, so had a single thing been
out of place, if anything had gone
wrong, Mr. Boldt would certainly
have heard of it. Nothing went
wrong.

There were no set speeches, but after
Mrs. W. M. Robinson, wife of the
manager of the Hotel Tulsa, Tulsa,
Okla., had sung "Hear Ye Calling,"
President Tierney introduced the fol-
lowing, who made short addresses: J.
K. Blatchford of Chicago, W. W. Da-
vis of Cambridge, Mass.; Charles C.
Horton of Waterville, Me.; Fred A. Lee
of the Park Avenue Hotel, New York;
Simon Ford of the Grand Union Hotel,
George C. Boldt of the Waldorf,
Quintus Hauman of the Baltimore, Louis
Seelbach, the Seelbach, Louisville;
David H. Knott, the Hotel Earl, New
York; George W. Sweeney, the La-
fayette, Buffalo; Jerome H. Joyce,
Baltimore; Frank Ewing, Kansas
City; E. M. Statler, Buffalo; David B.
Provan, the Adelphi, Philadelphia,
and Albert K. Keller, the Ritz-Car-
leton, New York.

**BREAKFAST, LUNCHEON AND
BANQUET FOR TO-DAY.**
To-day the members of the associa-
tion are having a round of pleas-
ure preceding the departure early to-
morrow of 170 members on a seven
weeks' tour of Europe. At 9 o'clock
they were the guests of August Silz
at breakfast at the Park Avenue Ho-
tel. Luncheon was served at 10:30
o'clock. At 11:30 a trip up to the
Hudson on the steamer Berkshire was
next on the bill, and to-night a fare-
well banquet to the visiting members
and the European tourists at the Bit-
more is the order of things.

JEWISH JUSTICE BUREAU IS TO BE ORGANIZED

Legal Aid Will Be Extended to
Those Deserving of
Assistance.

Reb E. B. M. Brown, who spent
a great deal of time last week trying
to induce Gov. Glynn to remove the
four gunmen who were electrocuted
Monday, announced yesterday that
plans are being made to form what
he termed a Jewish Bureau of Jus-
tice to aid in a legal way any mem-
bers of that race meriting assistance,
but without funds.
He said he was called Monday night
to a restaurant in East Broadway
and there was met by a delegation
of forty business men and others
whose discussion of the efforts to
save the gunmen had grown into a
tentative plan to help others in dis-
tress. They hailed him as the "At-
torney-General for the Human Race"
and insisted that he head the move-
ment.
Reb Brown said the new organ-
ization, which will be launched at a
meeting to be held in a week or so,
will be known as the Jewish Legal
Aid Bureau of Brotherhood Love, and
that all services would be free to
those deserving assistance. The co-
operation of lawyers will be sought.

700 TELEGRAMS UPHOLD PRESIDENT'S STAND ON TOLLS REPEAL MEASURE

Messages of Approval Come
From All Over Country in
Forty-eight Hours.

WASHINGTON, April 15.—From
every section of the country continue
to come letters and telegrams ap-
proving the President's stand in fa-
vor of repealing the Panama Canal
tolls exemption clause, and to-day,
within forty-eight hours, 700 tele-
grams of approval had been received
from Democrats, Republicans and
Bull Moose.

The deluge of telegrams began Mon-
day, April 13, a tribute to the Presi-
dent's lucky numeral. Just how and
why this "booster day" originated is
unknown. The messages poured in
with all the exterior evidences of being
spontaneous. A bushel of them were
delivered at the White House yester-
day. All were dated the thirtieth.
Every State in the Union was
represented. Gov. Ferris of
Michigan is among those who used
the wire.

The undercurrent running through
all the telegrams pronounced the
President's policy as wise, just, patri-
otic, manly, honorable and brave, and
in one instance it was spoken of as a
stand for the honor of the American
people.

Much comfort and satisfaction has
been derived by the President from
these telegrams. They clearly indi-
cate the popularity of his viewpoint
without reference to party.
Henry White, Secretary to the
American Embassy at London under
Ambassadors Hay and Choate, yester-
day told the Senate's Inter-oceanic
Canal Committee it was never in-
tended in the treaty negotiations that
coastwise vessels should be exempted
from the payment of tolls in the
Panama Canal. He declared that
neither the American nor the British
negotiators of the Hay-Pauncefote
treaty ever suggested such a thing, to
his knowledge.
Emory H. Johnson of Pennsylvania
told the committee that 99 of 100
shippers who use the canal would pay
just as much under the present law
as they would if the exemption pro-
vision were repealed.

New Commissioner of Weights.
Mayor Mitchell yesterday appointed
Joseph Hartigan, a lawyer of No. 2 Re-
ctor street, Commissioner of Weights and
Measures to succeed John L. Walsh, re-
signed. He is a native New Yorker,
thirty-three years old. His salary will
be \$6,000 a year.
Mr. Hartigan served in the Spanish
war as a second lieutenant. He is an in-
dependent Democrat and resides in the
Fifteenth Assembly District. He is a
member of the Army and Navy Club, the
Knights of Columbus and several Irish
and Irish-American organizations.

BREACH OF PROMISE SUIT HITS HONEYMOON OF NEWARK DENTIST

Plaintiff Says for Years Before
Husband Died She and
Watts Were Plighted.

Alleging that they had been in love
with each other for five years, al-
though her husband was living until
Jan. 20 last, and that while she was
married "an understanding arose and
an agreement was reached that at
some future time, when our circum-
stances are more favorable, we should
become man and wife," Mrs. Elfrida
Harries of No. 5 Center street, South
Orange, N. J., filed papers yesterday
in Newark in a suit for breach of
promise against Dr. William Watts, a
dentist, of No. 938 Broad street,
Newark.

The suit breaks in on the honey-
moon of Dr. Watts, who married Miss
Clara Isabelle Teller at her home, No.
381 Summer avenue, Newark, last
Saturday, the Rev. John McDowell of

the Park Presbyterian Church, New-
ark, officiating.
Dr. Watts knew of the suit at the
time of the wedding, papers having
been served on him last Thursday, the
day he obtained his marriage license,
when he was taken to court and re-
quired to give a bond for \$5,000. Mrs.
Harries alleged in the papers filed
that, believing in the sincerity of Dr.
Watts after he became attentive to
her, in the lifetime of her husband,
she loaned him \$1,000 in consideration
of the love I bore him.
She says he broke an engagement
with another woman on her account
at that time. Dr. Watts has declared
the suit "a conspiracy." He is said
to be much younger than Mrs. Har-
ries. Both are reputed wealthy.

HOT PARAFFIN WAX BATH RHEUMATISM TREATMENT

Dr. Carrell Also Uses New Method
in Connection With Skin
Grafting.

PARIS, April 15.—A paraffin wax
bath heated to 125 degrees Fahr-
enheit is a new treatment for rheu-
matism, sciatica, gout and kindred ail-
ments, as described by Dr. Barthe de
Sandfort at the Academy of Medicine
last night.
The physician, finding that super-
heated wax applied to wounds, burns
and ulcers removed all pain and
caused them to heal rapidly, was led
to believe that it might be advan-
tageously applied to the whole body.

Accordingly he proceeded to an oil
refinery and got into a vat containing
100 gallons of wax at a temperature
of 120 degrees. Not only did this
cause no burning, but it resulted in a
pleasant sensation. A number of pa-
tients suffering from various ailments
were put through the same process,
with results that exceeded the physi-
cian's expectations.
Dr. de Sandfort communicated his
discoveries of the properties of hot
wax to Dr. Alexis Carrel of the Rocke-
feller Institute, New York, who is said
to have used it with great success in
connection with skin grafting experi-
ments.
